ZONING

Zoning Administrator Dennise Daniels was present for the following Zoning agenda items.

Zoning Administrator Daniels presented a summary of the Zoning and Subdivision Resolution amendments. Moved by Lynch and seconded by Loeffelholz that this Board refer to the Buffalo County Planning and Zoning Commission five potential amendments to the Buffalo County Zoning Resolution and the Subdivision Resolution. The entire language of these proposed amendments is set out in a separate document that will not be set out in the minutes of this meeting, but will be available to the public at the Zoning Administrator's Office. This Board requests that the Planning and Zoning Commission conduct public hearing, study, report, and recommend back to this Board its' recommendations no later than January 17, 2025. If the Commission cannot formulate a responsive recommendation by that time, this Board shall consider the Commission has rendered no recommendation as to these amendments. The first two amendments deal with the amendment procedures for Buffalo County's Zoning Resolution. At present the Planning and Zoning Commission by permission of this Board can issue binding recommendation to this Board in Zoning Code and Zoning District matters. The referred materials provide two alternatives to this "binding recommendation" rule. The first amendment for review proposes that the recommendation can be overridden and modified by this Board upon a super majority of vote of this Board, the second amendment for review proposes that a recommendation is non-binding recommendations and that this Board can modify any recommendation given to it by the Planning and Zoning Commission. The third amendment requested to be reviewed provides for amendments involving clarification in Buffalo County's Subdivision Resolution as to how amendments to the Subdivision Code are to be initiated. This being a Subdivision Resolution, any recommendation of the Planning and Zoning Commission, is solely a recommendation that is not binding upon this Board's subsequent consideration of this provision. The fourth amendment requested for review deals with possible amendments to the Zoning Code concerning distancing provisions for large livestock facilities. As concerns all these suggested amendment matters, the Board considers them to be effective as to all pending matters before this Board. Upon roll call vote, the following Board members voted "Aye": Lynch, Loeffelholz, Higgins, Kouba, Maendele, Morrow and Klein. Motion declared carried.

Moved by Maendele and seconded by Lynch to cancel the Public Hearing regarding the possible adoption of the Zoning and Subdivision Regulations scheduled for December 10, 2024, with reference to the possible code amendments set forth during this meeting.
