WHEREAS, the Board, after public hearing and review of the Special Use application, finds that the application should be disapproved, based upon the following findings and conditions:

1. The proposed use and structure are not compatible with surrounding area use(s). The surrounding incompatible area is a densely-populated area. The dense population exists to the immediate west and southwest of the subject property, to the west of Cottonmill Avenue. If permittance is allowed to construct the proposed structure, the location of that structure and the use proposed by Applicant will likely change the character of the district as concerns the immediate surrounding area. No conditions could be identified upon the subject property that would lessen any of the compatibility issues.
2. The proposed location would not need to be rezoned as it is an allowable specially permitted use under the Buffalo County Agricultural – Residential (AGR) District as of the date of application and in accordance with the Buffalo County Comprehensive Plan.
3. The proposed location is detrimental to adjacent property and could depreciate the value of surrounding structures or properties based on siting and visibility concerns, due to the topography of Cottonmill Avenue, as well as the increased traffic congestion. Areas to the north at Cottonmill Avenue's intersection of 100th street are flatter and have fewer topography issues that the subject property's entrance onto Cottonmill Avenue.
4. An alternative site was proposed that appeared to be more compatible with surrounding uses, which includes commercial and industrial-type uses within a half mile of the village of Riverdale.
5. The proposed structure and use will be situated too close to a densely-populated area.

WHEREAS, on May 5, 2025, The Buffalo County Clerk was made aware of errors in the legal description of the subject property of the original resolution, 2025-24.

WHEREAS, on May 13, 2025, The Buffalo County Board of Commissioners approved the amendments to Resolution 2025-24, and the amended resolution will be known henceforth as Resolution 2025-24A.

NOW THEREFORE, BE IT RESOLVED THAT BY THE BUFFALO COUNTY BOARD OF COMMISSIONERS by a majority vote of its members, disapproves the applicants' requested Special Use Permit.

RESOLVED FURTHER that a copy of this Resolution shall be filed against the subject property as described above.
