

## August 9, 2024

**KEARNEY, NE**-The Buffalo County Board of Commissioners announces a **NEW** location for the Driver Licensing Office that will open on **August 29, 2024**. The **NEW** office is located at **321 Central Avenue Kearney, NE** and will be open Monday through Friday 8:00 a.m. to 4:30 p.m. This new location **replaces** the current location at 1512 Central Avenue, Buffalo County Courthouse.

As more space is needed for county services within the courthouse, the Driver Licensing Office will be moved to a new location. Moving the Driver Licensing Office to a different location will come with some changes. All driver licensing services will take place at the new location, 321 Central Avenue, but all **payments** will still be collected at the Buffalo County Treasurer's Office located at 1512 Central Avenue.

This new location will be an improvement for the DMV as it will allow for more off-street parking and will increase the amount of space that they have to meet the needs that arise from their customers.

The Driver Licensing Office will be closed on **Friday August 16, 2024** and will re-open on **Monday August 19, 2024** at the current location (1512 Central Avenue). The Driver License Office will be open for services at 1512 Central Avenue from Monday August 19, 2024 to Friday August 23, 2024. Driver license services will **NOT** be available at either location on **Monday August 26, 2024, Tuesday August 27, 2024, or Wednesday August 28, 2024** to allow for operational equipment to be transferred. If circumstances arise during this transition that cannot be met by the online services or expanded surrounding county hours, please contact the Driver Licensing Services division directly at (402) 471-3861.

Dozens of online services are also available at [www.dmv.nebraska.gov](http://www.dmv.nebraska.gov).

Most customers can renew their driver's license and State ID cards online, as well as update their address or order a replacement license.
