

United States
To Patent
John S. Abel
Timber Culture Certificate No. 614
Application 1895

Filed for record Nov 17 1892 p 8 am
H. H. Seelye to clg
by C. S. Seelye Deputy

The United States of America,
Whereas there has been deposited in the General Land Office of the United States a Certificate of the Register of the Land Office at Grand Island Nebraska whereby it appears that pursuant to the Acts of Congress approved March 3 1873 March 13 1874 and June 14 1879 "To encourage the growth of Timber on the Western Prairies" the claim of John S. Abel has been established and duly consummated in conformity to law for the North West Quarter of Section four in Township eleven North of Range eighteen West of the Sixth Principal Meridian in Nebraska containing one hundred and sixty one acres and fifty five hundredths of an acre according to the Official Plat of the Survey of the said Land returned to the General Land Office by the Surveyor General. Now know ye that there is therefore granted by the United States unto the said John S. Abel the tract of Land above described. To have and to hold the said tract of Land with the appurtenances thereunto the said John S. Abel and all his heirs and assigns forever.

In Testimony whereof I Benjamin Harrison President of the United States of America have caused these letters to be made Patent and the seal of the General Land Office to be hereunto affixed Given under my hand at the City of Washington the twenty third day of April in the year of our Lord one thousand eight hundred and ninety one and of the Independence of the United States the one hundred and fifteenth

By the President Benjamin Harrison
By Ellen Macfarland Asst Secretary
J. R. Conwell Recorder of the General Land Office
